The purpose of this notice is to inform you of two new caseload reports that are available at the Medicaid Waiver Reports Web site. The reports contain monthly caseload counts for each PSA for the Aged/Disabled Adult Services Medicaid Waiver (ADA) and the Assisted Living for the Frail Elderly Medicaid Waiver (ALE). The caseload figures are based on paid claims. Although there is a delay in the payment process, the information should be useful for managing your budgets.

The new reports are titled "PSA and Date of Service." They are available at the Medicaid Waiver Reports Web site, which is located at the following URL:
