If it is later determined that the signed knowingly rendered an erroneous certification, the Federal Government may pursue available remedies, including suspension and/or debarment.
3. The provider shall provide immediate written notice to the contract manager at any time the provider learns that its certification was erroneous when submitted or has become erroneous due to changed circumstances.
4. The terms "debarred," "suspended," "ineligible," "person," "principal," and "voluntarily excluded," as used in this certification, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549 and 45 CFR (Code of Federal Regulations), Part 76. You may contact the contract manager for assistance in obtaining a copy of these regulations.
5. The provider further agrees by submitting this certification that, it shall not knowingly enter any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this contract unless authorized by the Federal Government.
6. The provider further agrees by submitting this certification that it will require each subcontractor of this contract whose payment will equal or exceed \$100,000 in federal monies, to submit a signed copy of this certification with each contract.
7. The Department of Elder Affairs and its contract providers may rely upon a certification of a provider that is not debarred, suspended, ineligible, or voluntarily excluded from contracting/subcontracting unless it knows that the certification is erroneous.
